ORIGINAL ARTICLES

Abdominal injury from sporting activities  D. BERGQVIST, H. HEDELIN, G. KARLSSON, B. LINDBLAD and T. MATZSCH

Changes in the cervical spine in Association Football players  O. SORTLAND, A. T. TYSVAER and O. V. STORLI

A survey of roller discotheque injuries  K. Elizabeth DOWEY

Recurrent rupture of the Achilles tendon induced by corticosteroid injection  A. CHECHICK, Y. AMIT, A. ISRAELI and H. HOROSZOWSKI

Naproxen sodium and paracetamol/dextropropoxyphene in sports injuries  R. L. L. SIMMONS, Sandra OWEN, C. J. A. ABBOTT, T. A. I. BOUCHIER-HAYES and H. A. HUNT

A comparison of heart rate responses in racquet games  D. DOCHERTY

Wrong diagnosis in athletes  A. J. BANKS and P. D. MALIMSON

Immediate management of diving emergencies  A. J. WHITAKER and G. G. BODIWALA

PROCEEDINGS: Society of Sports Services Conference, 3rd April 1982, at the University of Loughborough

The influence of short-term training on the maximum oxygen uptake and endurance capacity of male and female subjects  C. WILLIAMS and M. G. L. NUTE

The influence of training on the metabolic responses to submaximal exercise  Adrianne E. HARDMAN

Metabolic and hormonal responses to graded exercise with training above and below the anabolic threshold  P. M. JAKEMAN and B. DAVIES

Respiratory and haematological responses to training  T. HALE, A. DRAKE and J. PASSINGHAM

The effect of graded and exhaustive physical exercise on vasopressin response in normal healthy volunteers  M. S. EL-SAYED, B. DAVIES and D. B. MORGAN

A technique for monitoring the effects of training on swimming efficiency  J. WATKINS and J. PARK

Some concomitants affecting the skill adaptation of non-swimmers during a twelve-session training programme  J. ATHA, A. D. KINNEAR and J. S. SAWBRIDGE

Some haematological findings in competitive swimmers undertaking a “taper” training programme  R. J. RATCLIFFE, P. L. T. WILLAN, M. MAHON and K. M. BAGNALL

Transient oxygen uptake in trained children at the onset of maximal arm and leg exercise  N. ARMSTRONG, B. DAVIES and J. MULHALL

Aerobic capacity and oxygen debt related to canoe racing performance  G. E. COOPER

Post-competition lactate levels in canoe slalomists  S. J. BAKER

The effects of plyomorphic training on the vertical jump performance of adult female subjects  B. P. MILLER

Echocardiographic left ventricular dimensions in two groups of road race cyclists during a training season  I. FANANAPAZIR, B. ROYAN-WOOLEY, C. WARD and J. A. WHITE

Physiological and sleep pattern responses to a successful attempt on the world record for continuous walking  Ann DAGETT, B. DAVIES, C. SHAPIRO and P. JAKEMAN

Anxiety and attributional responses of competitive squash players  F. H. SANDERSON and J. GILCHRIST

Circadian variation in ventilatory and metabolic adaptations to submaximal exercise  T. REILLY

Estimation of total body fat in Rugby Union forwards from measurement of human body density and subcutaneous tissue thickness  W. BELL
OBITUARIES

Dr. G. G. Browning, OBE, FRFPS, FRCP, DPH  H. E. ROBSON  119
Herbert E. Harding, FRCS  H. E. ROBSON  122
Dr. F. B. Kiernander, FRCP, DMRE, DPhysMed  H. E. ROBSON and J. G. P. WILLIAMS  121

CORRESPONDENCE

East Midlands Sports Medicine Potential  F. NEWTON  122
