

## FORTHCOMING EVENTS

British Association of Sport and Medicine:-

Residential Conference at Loughborough Training College on 3rd and 4th April, 1964 - the theme will be "Medical Aspects of Swimming and Diving", and details may be obtained from Dr. H. Evans Robson,  
8, Outwoods Rd.,  
Loughborough, Leics.,

to whom all projected papers should be submitted by 1st March. It is much regretted that owing to circumstances outside the control of the Association it was impossible to arrange an alternative date, and so this conference will unhappily clash with the Physical Education Association's course.

A Merseyside meeting is being arranged for the early summer and details will be made available as soon as they are known.

There will be a short one-day or afternoon symposium on "Knee Injuries in Sport" which will be held in London in September. This may be followed by the Annual General Meeting, the date of which has not yet been finalised.

It is hoped to hold the joint meeting with the Fitness and Training Section of the Ergonomics Research Society in November.

Other Meetings:-

1. Medical Congress on Ski-ing Injuries: St. Moritz, 23rd-29th March.
2. Research Committee of the International Council of Sport and Physical Education (U.N.E.S.C.O.).

International Seminar on Doping to be held in Ghent and Brussels: 28th-30th May.

3. XVth International Congress of Sports Medicine Organisation at the Japanese Society of Sports Medicine in Tokyo: 3rd-8th October.

Details of all these conferences may be obtained from the Secretariat.

## NOTICES AND NEWS

SUBSCRIPTIONS: Annual Subscriptions were due on 1st January last, and all members who are still in arrears are requested to pay their subscriptions (£1:1:0. full members, 5/- student members) as soon as possible. Follow up of defaulters involves disproportionate expenses and a good deal of inconvenience.

Subscriptions should be forwarded to: Dr. H. Evans Robson,  
8, Outwoods Rd.,  
Loughborough, Leics.

CONFERENCE - MEDICAL ASPECTS OF BOXING: Proceedings of this Conference held by the Association last November are now being edited for publication. Members who attended the conference will be sent their copies automatically. Others who wish to receive copies of the proceedings will be able to secure them after publication.

JOURNAL OF SPORTS MEDICINE AND PHYSICAL FITNESS: Subscribers are asked to note that the Annual Subscription is now £1:15:0. Some subscribers have been having difficulties receiving their copies. Please note that this is not the fault of the Treasurer who does all he can to see that such difficulties do not occur - the fault lies entirely with the publishers, Minerva Medica of Turin, Italy.

LIBRARY SERVICE: The Association still offers a limited Library Service and welcomes queries from its members or others. In future it is intended that the more interesting queries received, together with the answers given, will be published in the Bulletin.

SERVICES TO SPORT: Members who are prepared to help sports clubs and organisations in an honorary capacity are cordially invited to inform the Secretariat. From time to time requests for help are received, and it is a pleasure (and good public relations) to be able to provide the help requested.

CONSTITUTION AND BYE-LAWS: As noted in the Report of the A.G.M., the Association's Constitution and Bye-Laws are at present undergoing revision. The Draft Revisions will be published in the Bulletin in due course, and members who wish to make any suggestions for consideration by the Sub-Committee in preparing the revisions are invited to forward their suggestions to the Secretariat.

NEW MEMBERS: Membership of the Association continues to increase, and new members are very welcome. Any member who knows of someone who wishes to join may obtain application forms from the Secretariat.

ADDRESSES: Members are asked to keep the Secretariat notified of changes of address, also of title or qualification. This enables the records to be kept up to date and avoids embarrassment.

The Association's own address is 95, Mount St.,  
London, W.1.,

to which letters to the "Secretariat" may be addressed. Such letters may also be sent direct to the Hon. Secretary, Hon. Treasurer or Hon. Assistant Secretary.
