NOTICES AND INFORMATION.

1). B.A.S.M. MEDICAL ASPECTS OF BOXING.

ADVANCE NOTICE TO B.A.S.M. MEMBERS.

THE PROCEEDINGS OF THE ASSOCIATIONS CONFERENCE "THE MEDICAL ASPECTS OF BOXING" HELD AT UNIVERSITY OF LONDON GOLDSMITHS COLLEGE HAS NOW BEEN PUBLISHED.

MEMBERS WILL RECALL THAT THIS UNIQUE CONFERENCE AROUSED A GREAT DEAL OF WIDESPREAD INTEREST BOTH NATIONALLY AND INTERNATIONALLY.

THE BOOK IS NOW AVAILABLE TO MEMBERS AT A REDUCED PRICE OF 30/- PLUS 2/- PACKING AND POSTAGE, AND MAY BE OBTAINED FROM THE SECRETARY, WHILST PRESENT STOCKS LAST.

THE BOOK SHOULD MAKE A VALUABLE REFERENCE TO ALL THOSE ENGAGED AND INTERESTED NOT ONLY IN BOXING AND SPORTS MEDICINE, BUT ALSO TO THOSE INTERESTED IN SOME OF THE SOCIOLOGICAL PHILOSOPHICAL & PSYCHOLOGICAL ASPECTS OF SPORT AND SPORTSMEN.

TO AVOID DISAPPOINTMENT MEMBERS ARE ADVISED TO SEND THEIR ORDERS WITHOUT DELAY AS COPIES OF THE BOOK WILL SURE TO BE IN VERY GREAT DEMAND.
2). PHYSICAL EDUCATION ASSOCIATION RESEARCH.

Recently The Physical Education Association has set up a Research Working Party consisting of R.E. Morgan (Chairman), Miss G. Gildersleeve-Powell, J.E. Kane, and J. Wyn Owen (Secretary).

The Working Party has undertaken (a) to collect information on research which has been done, or is being done, in this country in physical education or in related subjects; (b) to prepare a register of this research for publication and to publish a special journal in which research articles are presented; (c) to encourage original work in physical education by any appropriate means.

The Working Party hopes that the first journal will be published within a year and that the register of research will be available in the Autumn of this year. An inquiry form has been prepared for the collection of information for the register and is being circulated to various institutions. This method of circulation may, however, miss an individual member who has a study which might be appropriate for inclusion in the list. Any member who is in this position is asked to write immediately to the General Secretary of the Association for the inquiry form which should be completed by June 30, 1965.

The register of Research mentioned is now available from the Ling Bookshop, The Physical Education Association, 10, Nottingham Place, London, W. 1. price 4/- inclusive of postage. This should be of value to anyone engaged in the research & investigation of Physical Education & Sports Medicine.

Editor.

3). RESEARCH AT THE CRYSTAL PALACE SPORTS CENTRE.

Since an early stage in the planning of the Centre, the Fitness and Training Committee has taken steps to secure facilities at the Centre for research on physical fitness and the nature of athletic prowess. The authorities concerned have now kindly made available two medical inspection rooms, one near the track and the other near to the sports hall, for research at the Centre. These rooms are well equipped with services and equipment may be stored there, but it is understood that the rooms may at times have to be used for other purposes. Any approach for the use of these facilities should be made in the first place to Mr. J.G. Birch, Research Officer, Central Council of Physical Recreation. Arrangements must finally be made both with those responsible for the athletes visiting the centre, and also with the Director.
It is important that this offer should be taken up at an early stage and the widest publicity should therefore be given to these arrangements.

4). INTERNATIONAL CONFERENCE ON SPORT IN EDUCATION AND RECREATION. LONDON 8 - 13 JULY.

The above conference will take place at the Crystal Palace National Recreation Centre from 8 - 13th July 1966.

Details of the Conference and application forms to attend may be obtained from:
Miss Olive Newson.

I can offer transport from ______________________________ to Largs for ___
(Members will be put in touch with other Members who can offer transport)
6). WORLD CONGRESS OF SPORTS MEDICINE 1966
IN HANOVER

This World Congress will be held from June 12th - 16th 1966 in Hanover in The Kuppelsaal of The Stadthalle.

The Deutschesportarztabund invite members of the B. A. S. M. to attend and also invite members to submit experimental scientific papers. The papers should either correspond with the general theme "Deterioration and improvement of functions in modern life", or they may be communicated as free subjects within ten minutes time.

Members may obtain further details and information if they so desire by writing to:-

Dr. G. Hanekopf,
Secretary General of the XVI th
World Congress of Sports Medicine,
3000, Hanover 1,
Bolschestraße 2.
7. JOINT MEETING of B.A.S.M. and
FITNESS & TRAINING SECTION of the
ERGONOMICS RESEARCH SOCIETY.

A joint meeting has been arranged with the Fitness and Training section of the Ergonomics Research Society and the B.A.S.M. The theme of the meeting will be Biomechanics and it is hoped it will take place on Saturday November 6th at Loughborough College of Technology, (University designate). The programme and final details are available from:-

J.A. Jeffreys Esq.,
Unit of Physical Education and Industrial Research,
The College of Advanced Technology,
Loughborough,
Leics.

Please include stamped addressed envelope when applying for details. Members of B.A.S.M. wishing to submit papers should submit titles and abstracts as soon as possible to the Association Secretary:-

Dr. D.J. Cussons,
11 Ham Farm Road,
Richmond,
Surrey.
