### BRITISH ASSOCIATION OF SPORT AND MEDICINE ANNUAL GENERAL MEETING, 1965.

The Annual General Meeting was held at the Royal Society of Medicine on Saturday 27th March at 11. 0 a.m. with Sir Arthur Porritt in the Chair. The Secretaries' and Treasurers' Reports were presented and accepted.

There was some debate on the new constitution which was accepted with only a few literal corrections in the final draft. It was agreed that there should be an increase in subscriptions with effect from 1st January, 1966 and although it was suggested that a higher subscription would make possible a publication of a more sophisticated journal, it was generally agreed that the proposed subscription changes were satisfactory.

The results of the ballot for the four committee members were announced, Mr. J.G.P. Williams, Mr. R.D. James, Dr. J.L. Blonstein and Dr. J.R. Owen being elected. All other officers were returned unopposed.

Following the conclusion of the Annual General Meeting, the Association was privileged to enjoy an Address by Lord Cohen of Birkenhead (reported elsewhere in this Bulletin). At the conclusion of Lord Cohen's Address, members enjoyed a Buffet Luncheon in the Royal Society of Medicine Club. The Association wishes to express its gratitude to the President and Members of the Royal Society of Medicine for their hospitality on this occasion.
