NOTICES

F.I.M.S. CONGRESS 1970

Members will be interested to know that the 1970 World Congress of the International Federation of Sports Medicine (F.I.M.S.) is to be held in this country. The Honorary Secretary is particularly anxious to prepare a list of members of the B.A.S.M. who are fluent in one or more foreign language, since both in the preparations for the Congress and during the Congress itself it must be obvious that a lot of translation work over and above that to be provided commercially will be incurred. Members who are fluent in foreign languages are therefore invited to notify the Hon. Secretary as soon as possible giving an indication of the language(s) in question and the degree to which they will be able to help with the translating correspondence etcetera.
