

**NEW FOR
1998**

Clinician *in Management*

Capturing and promoting the essence of medical management knowledge

CALL FOR PAPERS

From 1998, the BMJ Publishing Group will publish **Clinician in Management**. International and peer-reviewed, the journal reflects the growth of interest worldwide in the role of clinical professionals in healthcare management. Published quarterly, **Clinician in Management** provides a single focus for this emerging academic and practitioner domain.

Sections of the journal include:

- Original articles covering all aspects of management in healthcare
- News
- Editorials
- Case reports
- Reviews
- Correspondence
- Book reviews
- Forthcoming events
