K L Quarrie, S M Gianotti, D J Chalmers, et al.
A number of errors were spotted following publication of this article. The errors are as follows:
In the results section under the subheading “Dental injury claims” “wearers” and “non-wearers” are juxtaposed. The sentence should read:
Using the methods and assumptions outlined above, the estimate for the relative risk of claims for non-wearers was 4.6 (90% CI 3.8 to 5.6) times that of wearers.
In the discussion section, the final two sentences contain errors. The penultimate sentence should read:
Among the junior players, 23 orofacial injuries were reported by 24 non-wearers and 16 injuries by 45 wearers.
The last sentence of the fourth paragraph should read:
The relative rate of injury among the junior players was 2.7 (90% CI 1.6 to 4.6) for non-wearers versus wearers.
The authors apologise for these errors.
