Volume 51 Issue 7 | BJSM April 2017

Warm up
553 Join the Swiss Sports Physiotherapy Association in celebrating 15 years of quality education: Bern, 24 November 2017
M Bizzini

Editorials
554 Anatomical and morphological characteristics may explain why groin pain is more common in male than female athletes
A G Schache, S J Woodley, E Schilder, J W Orchard, K M Crossley

555 Psychological readiness to return to sport: three key elements to help the practitioner decide whether the athlete is REALLY ready?
D Forseyke, A Gledhill, C Aedem

556 Serving the clinician and the patient: three ways that quality clinical guidelines can build on expert consensus statements and systematic reviews
C Aedem

558 What is in a name? Quite possibly public safety
E K Stokes

559 Call for coordinated and systematic training load measurement (and progression) in athlete development: a conceptual model with practical steps
M Booth, R Orr, S Cobley

Infographics
561 Infographic: Psychosocial factors associated with outcomes of sports injury rehabilitation in competitive athletes
D Forseyke, A Smith, M Jones, A Gledhill

Reviews
562 Effect of specific exercise-based football injury prevention programmes on the overall injury rate in football: a systematic review and meta-analysis of the FIFA 11 and 11+ programmes
K Thorborg, K K Kronnes, E Esteve, M B Clausen, E M Bartels, M S Rathleff

572 Pain, activities of daily living and sport function at different time points after hip arthroscopy in patients with femoroacetabular impingement: a systematic review with meta-analysis
S Kierkegaard, M Langseten-Christensen, B Lund, F D Naal, J Mekelenburg, U Dalgás, N C Casaretto

580 Predicting sport and occupational lower extremity injury risk through movement quality screening: a systematic review
J L Whitaker, N Boeysen, S de la Motte, L Demmen, C L Lewis, D Wilson, C McKay, M Warner, D Padua, C A Emery, M Stokes

586 Step training improves reaction time, gait and balance and reduces falls in older people: a systematic review and meta-analysis
Y Okubo, D Schoene, S R Lord
