Warm up

1505 Sports and exercise medicine coming together
N Malliaropoulos, J-F Kaux, S Le Garrec, H Lohrer

Editorials

1507 Computational methods to model complex systems in sports injury research: agent-based modelling (ABM) and systems dynamics (SD) modelling
A Hulme, S Mclean, P M Salmon, J Thompson, B R Lane, R O Nielsen

1510 The acute-to-chronic workload ratio: an inaccurate scaling index for an unnecessary normalisation process?
L Lolly, A M Batterham, R Hawkins, D M Kelly, A J Strudwick, R T Thorpe, W Gregson, G Atkinson

1512 Implausible discussions in saturated fat 'research'; definitive solutions won't come from another million editorials (or a million views of one)
D Nunan, D Mellor, N Guess, I M Lahart

1513 Same label—different product: time to review the hiring criteria for therapists in sport
G N Smith

Review

1515 Aerobic exercise interventions reduce blood pressure in patients after stroke or transient ischaemic attack: a systematic review and meta-analysis
C Wang, J Redgrave, M Shafizadeh, A Majid, K Kilner, A N Ali

Original articles

1526 King-Devick concussion test performs poorly as a screening tool in elite rugby union players: a prospective cohort study of two screening tests versus a clinical reference standard
G W Fuller, M J Cross, K A Stokes, S P T Kemp

1533 Temporal trends and regional variation in the rate of arthroscopic knee surgery in England: analysis of over 1.7 million procedures between 1997 and 2017. Has practice changed in response to new evidence?
S G F Abram, A Judge, D J Beard, H A Wilson, A J Price

1539 Altered brain microstructure in association with repetitive subconcussive head impacts and the potential protective effect of jugular vein compression: a longitudinal study of female soccer athletes
G D Myer, K Barber Foss, S Thomas, R Galloway, C A DiCesare, J Dudley, B Gadd, J Leach, D Smith, P Gubanich, W P Meehan III, M Altaye, P Lavin, W Yuan

Infographic

1552 Infographic. The effect of protein supplementation on resistance training-induced gains in muscle mass and strength
R W Morton, K T Murphy, S R McKellar, B J Schoenfeld, M Henselmans, E Helms, A A Aragon, M C Devries, L Barfield, J W Krieger, S M Phillips

Print £888

Online Site licences are priced on FTE basis and allow access by the whole institution. Details available online at <http://journals.bmj.com/content/subscribers?bjsm>

Personal rates 2019

Print (includes online access at no additional cost)
£311

Online only £184

ISSN 0306-3674 (print); 1473-0480 (online)

Personal print or online only and institutional print subscriptions may be purchased online at <http://group.bmj.com/subscribe?bjsm> (payment by Visa/ Mastercard only) Residents of some EC countries must pay VAT; for details, call us or <http://journals.bmj.com/content/subscribers?bjsm>

This article has been chosen by the Editor to be of special interest or importance and is freely available online.

This article has been made freely available online under the BMJ Journals open access scheme. See <http://bjsm.bmj.com/site/about/guidelines.xhtml#open>

This journal is a member of and subscribes to the principles of the Committee on Publication Ethics www.publicationethics.org.uk

The online version of this article contains multiple choice questions hosted on BMJ Learning.

Discussion

- 1553** More real-world trials are needed to establish if web-based physical activity interventions are effective

*C Vandelanotte, M J Duncan, G S Kolt,
C M Caperchione, T N Savage, A Van Itallie,
C Oldmeadow, S J Alley, R Tague, A J Maeder,
R R Rosenkranz, W K Mummery*

- 1555** Any public health guidelines should always be developed from a consistent, clear evidence base

*E Stamatakis, D Ding, M Hamer, A E Bauman,
I-M Lee, U Ekelund*

- 1557** Is there a 'recent occupational paradox' where highly active physically active workers die early? Or are there failures in some study methods?

R J Shephard

Bright Spots

- 1560** Bright spots, physical activity investments that work—Gators in Motion: a holistic approach to sport-based youth development

T Bopp, E P Roetert

Education from other journals

- 1562** Education from other sports medicine journals #11

R Kearney, C, Y Le, J Heerey, A O'Callaghan

Patient voices

- 1565** Before and after major neck surgery

S Della Villa
