

Correction: *Prenatal exercise (including but not limited to pelvic floor muscle training) and urinary incontinence during and following pregnancy: a systematic review and meta-analysis*

Davenport MH, Nagpal TS, Mottola M, *et al.* Prenatal exercise (including but not limited to pelvic floor muscle training) and urinary incontinence during and following pregnancy: a systematic review and meta-analysis. *Br J Sports Med* 2018;52:1397-1404. doi:10.1136/bjsports-2018-099780.

Professor Dumoulin felt her attribution was incorrect in the published paper and agreed that she should no longer be acknowledged.

The acknowledgement section should therefore read:

The authors wish to acknowledge Mary Duggan from the Canadian Society for Exercise Physiology who is the primary knowledge user for the Canadian Institute of Health Research Knowledge Synthesis Grant. The authors also wish to thank Anne Courbalay and Baily Shandro for their assistance with the systematic review and Meghan Sebastianski from the Alberta SPOR SUPPORT Unit Knowledge Translation Platform, University of Alberta for her assistance with the meta-analysis.
