

Retraction: What advice should we give to athletes postconcussion?

McCrorry P. What advice should we give to athletes postconcussion? *Br J Sports Med* 2002;36:316–18.

This article has been retracted due to duplicate (or redundant) publication.

The work was assessed by BMJ's Research Integrity team and in conjunction with the *British Journal of Sports Medicine*. We judge that the work is not meaningfully different in genre, content or intended audience from previously published material by the same author. It was published without clear or appropriate attribution to the previous material. In our judgement this constitutes duplicate (or redundant) publication of the following:

McCrorry P. Were you knocked out? A team physician's approach to initial concussion management. *Med Sci Sports Exerc* 1997;29:S207–12. doi:10.1097/00005768-199707001-00002

We would like to acknowledge the preliminary work of Nick Brown in investigating publications by Dr Paul McCrorry and thank him for bringing these concerns to our attention.

During 2021 and 2022 there was an investigation by *British Journal of Sports Medicine* and BMJ which found that some of McCrorry's work was the product of publication misconduct. *British Journal of Sports Medicine* published a summary of the investigation.¹
