Please complete the declaration below, having read our guide to declaration of interests. You may complete and return this form electronically in Word format—a physical signature/hard copy is not required.

We want to know about interests in the 12 months before the declaration and those you know are going to occur in the subsequent 12 months. Please be as specific and detailed as possible in declaring interests.

I have read and understood BMJ's guide to declarations of interests and code of practice and declare the following interests (writing "none" if none exist):

1. Personal financial interests

I occasionally serve as an expert witness and consultant for medical-legal cases related to sudden cardiac arrest in athletes.

2. Organisational financial interests

I have an ongoing research grant through the National Center for Catastrophic Sports Injury Research located at the University of North Carolina at Chapel Hill.

3. Non-financial interests

I served as a panellist and co-author on the 2020 European Society of Cardiology (ESC) Guidelines on Sports Cardiology and Exercise in Patients with Cardiovascular Disease. I am the Section Editor for Electrocardiology in Sports for the Journal of Electrocardiology. I also serve on the medical or scientific advisory boards for the following non-profit organizations: Nick of Time Foundation, Parent Heart Watch, Seattle United FC, Korey Stringer Institute, NFL General Medical Committee, Who We Play For, Washington Interscholastic Athletics Association, American Medical Society for Sports Medicine (AMSSM) Collaborative Research Network, and United States Olympic & Paralympic Committee (USOPC) Research Steering Committee.
